| Alternativnummer         | BYT-ORB1953334-100                                                                                                                                                                                          |
| Hersteller               | Biorbyt                                                                                                                                                                                                     |
| Kategorie                | Proteine/Peptide                                                                                                                                                                                            |
| Produktbeschreibung      | SARS-CoV-2 BA.3 (Omicron) Spike S1+S2 trimer Protein (His) is expressed in HEK293 mammalian cells with His tag. The predicted molecular weight is 136.25 kDa and the accession number is YP_009724390.1.... |
| Molekulargewicht         | 136.25 kDa (predicted)                                                                                                                                                                                      |
| Quelle                   | SARS-CoV-2                                                                                                                                                                                                  |
| Reinheit                 | 98.00%                                                                                                                                                                                                      |
| Anwendungsbeschreibung   | A Certificate of Analysis (CoA) containing reconstitution instructions is included with the products. Please refer to the CoA for detailed information.                                                     |
