| Wirt                     | Rabbit                                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                                 |
| Applikation              | FC, ICC, IF, IHC, WB                                                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                          |
| Immunogen                | E.coli-derived human Caspase 3 recombinant protein (Position: T67-D175). Human Caspase 3 shares 86% and 90% amino acid (aa) sequences identity with mouse and rat Caspase 3, respectively. |
| Konjugation              | Unconjugated                                                                                                                                                                               |
| Produktbeschreibung      | Caspase-3/CASP3 Antibody...                                                                                                                                                                |
| Klonalität               | Polyclonal                                                                                                                                                                                 |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                  |
| Molekulargewicht         | 32 kDa                                                                                                                                                                                     |
| Sensitivitaet            | < 5pg/ml                                                                                                                                                                                   |

|                        |                                                                                                                                                                                                                                                               |
