Product Datasheet

BrdU antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB345681

Artikelname	BrdU antibody, Unconjugated, Rabbit, Polyclonal
Artikelnummer	BYT-ORB345681
Hersteller Artikelnummer	orb345681
Alternativnummer	BYT-ORB345681-25
Hersteller	Biorbyt
Wirt	Rabbit
Kategorie	Antikörper
Applikation	ELISA, FC, IF, IHC, IP, WB
Spezies Reaktivität	Other
Immunogen	Anti-BrdU affinity purified antibody was purified from monospecific rabbit antiserum prepared via repeated immunizations with BromodeoxyUridine-KLH.
Konjugation	Unconjugated
Produktbeschreibung	BrdU antibody...
Klonalität	Polyclonal
Konzentration	1.1 mg/mL
Puffer	0.01% (w/v) Sodium Azide
Reinheit	BrdU Antibody was affinity purified from monospecific antiserum by immunoaffinity chromatography.

Formulierung	Liquid (sterile filtered)
Application Verdünnung	ELISA: 1:2000 - 1:10,000, FC: 1:50-1:100, IHC: 1:100-1:500, IF: 1:500, IP: User Optimized, WB: User Optimized
Anwendungsbeschreibung	Anti-BrdU Antibody has been tested by ELISA, WB, IHC, and is suitable for immunofluorescence microscopy and flow cytometry. Specific conditions for reactivity should be optimized by the end user. Expect to detect incorporated BrdU thymidine analog from r
