| Artikelnummer            | BYT-ORB1946189                                                                                                                        |
| Hersteller Artikelnummer | orb1946189                                                                                                                            |
| Alternativnummer         | BYT-ORB1946189-10, BYT-ORB1946189-100                                                                                                 |
| Hersteller               | Biorbyt                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                            |
| Applikation              | FC                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse                                                                                                                          |
| Immunogen                | A synthetic phospho-peptide corresponding to residues surrounding Tyr1234/Tyr1235 of human phospho Met                                |
| Konjugation              | SureLight 488                                                                                                                         |
| Produktbeschreibung      | Phospho-MET(Tyr1234/Tyr1235) (6F11) rabbit mAb SureLight488 conjugate Antibody...                                                     |
| Klonalität               | Monoclonal                                                                                                                            |
| Klon-Bezeichnung         | [MetY12341235-6F11]                                                                                                                   |
| UniProt                  | <a href="#">P08581</a>                                                                                                                |
| Puffer                   | 1X PBS, 0.09% NaN <sub>3</sub> , 0.2% rAlbumin                                                                                        |

Application Verdünnung

For flow cytometric staining, the suggested use of this reagent is 5  $\mu\text{L}$  per million cells or 5  $\mu\text{L}$  per 100  $\mu\text{L}$  of staining volume. It is recommended that the reagent be titrated for optimal performance for each application.
