| Hersteller               | US Biological                                                                                                                                                                                                                                                 |
| Kategorie                | Molekularbiologie                                                                                                                                                                                                                                             |
| Produktbeschreibung      | Description: Control peptide for S1013-74M. Conjugated to BSA for immunization. The aryl hydrocarbon receptor nuclear translocator (ARNT) is a member of the Per-ARNT-Sim (PAS) protein superfamily, transcription factors that mediate the cellular respo... |
| Reinheit                 | As reported                                                                                                                                                                                                                                                   |
| Formulierung             | Supplied as a liquid in PBS. Labeled with BSA.                                                                                                                                                                                                                |
