### RecombinantGRO-alpha/KC/CXCL1,Mouse(CHO-expressed) BWT-BK0216

Artikelname	RecombinantGRO-alpha/KC/CXCL1,Mouse(CHO-expressed)
Artikelnummer	BWT-BK0216
Hersteller Artikelnummer	BK0216
Alternativnummer	BWT-BK0216-1MG,BWT-BK0216-25UG,BWT-BK0216-5UG
Hersteller	Bioworld Technology
Kategorie	Biochemikalien
Produktbeschreibung	Growth-regulated Alpha Protein (GRO), also known as CXCL-1, GRO1, MGSA and SCYB1, is a chemokine belonging to the intercrine alpha (Chemokine CXC) family. It is expressed mainly by macrophages, neutrophils and epithelial cells. GRO signals through ch...
Molekulargewicht	5-7 kDa, observed by reducing SDS-PAGE.
Quelle	CHO
Reinheit	> 95% as analyzed by SDS-PAGE and HPLC.
Formulierung	Sterile Filtered White lyophilized (freeze-dried) powder.
Sequenz	APIANELRCQCLQTMAGIHLKNIQSLKVLPSGPHCTQTEVIATLKNGREACLDPEAPLVQKIVQKMLKGVPK
Formel	Lyophilized after extensive dialysis against PBS.
Anwendungsbeschreibung	Reconstituted in ddH <sub>2</sub> O or PBS at 100 µg/ml.
