| Hersteller               | Boster Bio                                                                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | ELISA, FC, WB                                                                                                                                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                        |
| Immunogen                | E.coli-derived human CXCR2 recombinant protein (Position: M1-Q216).                                                                                                                                                                                          |
| Produktbeschreibung      | Boster Bio Anti-CXCR2 Antibody Picoband catalog A00455-3. Tested in ELISA, Flow Cytometry, WB applications. This antibody reacts with Human. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | 41-50 kDa                                                                                                                                                                                                                                                    |
| UniProt                  | <a href="#">P25025</a>                                                                                                                                                                                                                                       |

|                        |                                                                                                                               |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                     |
| Reinheit               | Immunogen affinity purified.                                                                                                  |
| Formulierung           | Lyophilized                                                                                                                   |
| Application Verdünnung | Western blot, 0.25-0.5 µg/ml, Human Flow Cytometry (Fixed), 1-3 µg/1x10 <sup>6</sup> cells, Human ELISA, 0.1-0.5 µg/ml, Human |
