### Anti-Forkhead box protein P3 FOXP3 Antibody, Rabbit, Polyclonal BOB-RP1032

|                          |                                                                                                                                                    |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Forkhead box protein P3 FOXP3 Antibody, Rabbit, Polyclonal                                                                                    |
| Artikelnummer            | BOB-RP1032                                                                                                                                         |
| Hersteller Artikelnummer | RP1032                                                                                                                                             |
| Alternativnummer         | BOB-RP1032-100UG                                                                                                                                   |
| Hersteller               | Boster Bio                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                         |
| Applikation              | IHC                                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                  |
| Immunogen                | E.coli-derived human FOXP3 recombinant protein (Position: H101-P431). Human FOXP3 shares 88% amino acid (aa) sequence identity with mouse FOXP3.   |
| Produktbeschreibung      | Boster Bio Anti-Forkhead box protein P3 FOXP3 Antibody catalog RP1032. Tested in IHC applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                                         |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                          |
| Molekulargewicht         | 78 kDa                                                                                                                                             |
| UniProt                  | <a href="#">Q9BZS1</a>                                                                                                                             |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 5mg BSA, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> . |
| Reinheit               | Immunogen affinity purified.                                                                               |
| Formulierung           | Lyophilized                                                                                                |
| Application Verdünnung | Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml, Human, Mouse, Rat, By Heat                   |
