| Hersteller               | Biorbyt                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                |
| Applikation              | FC, IHC, WB                                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                                                     |
| Konjugation              | Unconjugated                                                                                                                                                              |
| Produktbeschreibung      | This GALNT5 antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 24-53 amino acids from the N-terminal region of human GALNT5.... |
| Klonalität               | Polyclonal                                                                                                                                                                |
| Konzentration            | batch dependent                                                                                                                                                           |
| Molekulargewicht         | 106.3kDa                                                                                                                                                                  |
| UniProt                  | <a href="#">Q7Z7M9</a>                                                                                                                                                    |

|                        |                                                                                                                                                                        |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Purified polyclonal antibody supplied in PBS with 0.05% sodium azide. This antibody is purified through a protein A column, followed by peptide affinity purification. |
| Target-Kategorie       | GALNT5 (N-term)                                                                                                                                                        |
| Application Verdünnung | WB: 1/1000, IHC: 1/100-1/500, FCM: 1/10-1/50                                                                                                                           |
