| Alternativnummer         | BOB-A00304-100UL                                                                                                      |
| Hersteller               | Boster Bio                                                                                                            |
| Wirt                     | Rabbit                                                                                                                |
| Kategorie                | Antikörper                                                                                                            |
| Applikation              | WB                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                     |
| Immunogen                | Recombinant protein of human PDF                                                                                      |
| Produktbeschreibung      | Boster Bio Anti-PDF Antibody catalog A00304. Tested in WB applications. This antibody reacts with Human,Mouse,Rat.... |
| Klonalität               | Polyclonal                                                                                                            |
| Molekulargewicht         | 27013 MW                                                                                                              |
| UniProt                  | <a href="#">Q9HBH1</a>                                                                                                |
| Puffer                   | Rabbit IgG, 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2                                                |

|                        |                                                                                                                                                             |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen and the purity is > 95% (by SDS-PAGE). |
| Formulierung           | Liquid                                                                                                                                                      |
| Application Verdünnung | WB: 1:500-1:2000                                                                                                                                            |
