## Product Datasheet

### Anti-PAK Alpha (phospho-T212) PAK1 Antibody, Rabbit, Polyclonal BOB-A00454T212

|                          |                                                                                                                                                     |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-PAK Alpha (phospho-T212) PAK1 Antibody, Rabbit, Polyclonal                                                                                     |
| Artikelnummer            | BOB-A00454T212                                                                                                                                      |
| Hersteller Artikelnummer | A00454T212                                                                                                                                          |
| Alternativnummer         | BOB-A00454T212-100UL                                                                                                                                |
| Hersteller               | Boster Bio                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                          |
| Applikation              | WB                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                   |
| Immunogen                | Synthetic phosphopeptide derived from human PAKalpha around the phosphorylation site of Thr212.                                                     |
| Produktbeschreibung      | Boster Bio Anti-PAK Alpha (phospho-T212) PAK1 Antibody catalog A00454T212. Tested in WB applications. This antibody reacts with Human,Mouse,Rat.... |
| Klonalität               | Polyclonal                                                                                                                                          |
| Molekulargewicht         | 60647 MW                                                                                                                                            |
| UniProt                  | <a href="#">Q13153</a>                                                                                                                              |
| Puffer                   | Rabbit IgG, 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2                                                                              |

|                        |                                                                                                                                                             |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen and the purity is > 95% (by SDS-PAGE). |
| Formulierung           | Liquid                                                                                                                                                      |
| Application Verdünnung | WB: 1:500-1:1000                                                                                                                                            |
