IL-11 Interleukin-11 Human Recombinant Protein, Pichia BOB-PROTP20809

Artikelname	IL-11 Interleukin-11 Human Recombinant Protein, Pichia
Artikelnummer	BOB-PROTP20809
Hersteller Artikelnummer	PROTP20809
Alternativnummer	BOB-PROTP20809-2UG, BOB-PROTP20809-10UG, BOB-PROTP20809-1MG
Hersteller	Boster Bio
Kategorie	Proteine/Peptide
Spezies Reaktivität	Human
Produktbeschreibung	IL11 Human Recombinant produced in Pichia Pastoris is a single, non-glycosylated, Polypeptide chain containing 177 amino acids (it differs from the 178 amino acid length of the native IL11 only in lack of the N-terminal praline residue) and having a ...
UniProt	P20809
Puffer	IL11 was Lyophilized from a 0.2 µm filtered concentrated solution of 20mM PB, pH7.2 and 2% Glycine buffer.
Quelle	Pichia pastoris
Reinheit	Greater than 95% as determined by SDS-PAGE.
Formulierung	Sterile Filtered White lyophilized (freeze-dried) powder.
Sequenz	REF!
