| Produktbeschreibung      | Identifies cytotoxic/suppressor T-cells that interact with MHC class I bearing targets. CD8 is thought to play a role in the process of T-cell mediated killing. CD8 alpha chains binds to class I MHC molecules alpha-3 domains.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                           |
