## Product Datasheet

### Anti-VWF, Rabbit, Polyclonal ATA-HPA001815

|                          |                                                                    |
|--------------------------|--------------------------------------------------------------------|
| Artikelname              | Anti-VWF, Rabbit, Polyclonal                                       |
| Artikelnummer            | ATA-HPA001815                                                      |
| Hersteller Artikelnummer | HPA001815                                                          |
| Alternativnummer         | ATA-HPA001815-25,ATA-HPA001815-100                                 |
| Hersteller               | Atlas Antibodies                                                   |
| Wirt                     | Rabbit                                                             |
| Kategorie                | Antikörper                                                         |
| Applikation              | IHC                                                                |
| Spezies Reaktivität      | Human                                                              |
| Immunogen                | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence |
| Konjugation              | Unconjugated                                                       |
| Produktbeschreibung      | von Willebrand factor...                                           |
| Klonalität               | Polyclonal                                                         |
| Konzentration            | 0.2 mg/ml                                                          |
| Isotyp                   | IgG                                                                |
| NCBI                     | <a href="#">7450</a>                                               |
| UniProt                  | <a href="#">P04275</a>                                             |

|                        |                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative.                                                           |
| Reinheit               | Affinity purified using the PrEST antigen as affinity ligand                                                                          |
| Sequenz                | ARSNRVTVFPIGIGDRYDAAQLRILAGPAGDSNVVVLQRIEDLPTMVTLGNSFL<br>HKLCSGFVRICMDEDGNEKRPGDVWTLPDQCHTVTCQPDGQTLLKSHRVNC<br>DRGLRPSCPNSQSPVKVEKT |
| Lagerung               | Store at +4°C for short term storage. Long time storage is recommended at -20°C.                                                      |
| Target-Kategorie       | VWF                                                                                                                                   |
| Antibody Type          | Monoclonal Antibody                                                                                                                   |
| Application Verdünnung | IHC: 1:50 - 1:200                                                                                                                     |
