### Goat anti-AKAP10 EVE-EB08645

|                          |                                                                                        |
|--------------------------|----------------------------------------------------------------------------------------|
| Artikelname              | Goat anti-AKAP10                                                                       |
| Artikelnummer            | EVE-EB08645                                                                            |
| Hersteller Artikelnummer | EB08645                                                                                |
| Alternativnummer         | EVE-EB08645                                                                            |
| Hersteller               | Everest                                                                                |
| Wirt                     | Goat                                                                                   |
| Kategorie                | Antikörper                                                                             |
| Applikation              | ELISA, WB                                                                              |
| Spezies Reaktivität      | Rat                                                                                    |
| Immunogen                | C-RKVKGKEQEKTS                                                                         |
| Klonalität               | Polyclonal                                                                             |
| Molekulargewicht         | 73,8                                                                                   |
| NCBI                     | <a href="#">11216</a> , <a href="#">56697 (mouse)</a> , <a href="#">360540 (rat)</a> , |
| Reinheit                 | Antigen affinity purified                                                              |
| Sequenz                  | RKVKGKEQEKTS                                                                           |
| Target-Kategorie         | Goat anti-AKAP10 Antibody                                                              |

|                        |                                                                                                                                                                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Peptide ELISA: antibody detection limit dilution 1:64000. Western Blot: Approx. 74kDa band observed in Rat Brain lysates (calculated MW of 73.8kDa according to Human NP_009133.2 and according to Rat NP_001108078.1). Recommended concentration: 0.3-1µg/m |
