### Goat anti-Septin 1 / SEPT1 EVE-EB07412

|                          |                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------|
| Artikelname              | Goat anti-Septin 1 / SEPT1                                                          |
| Artikelnummer            | EVE-EB07412                                                                         |
| Hersteller Artikelnummer | EB07412                                                                             |
| Alternativnummer         | EVE-EB07412                                                                         |
| Hersteller               | Everest                                                                             |
| Wirt                     | Goat                                                                                |
| Kategorie                | Antikörper                                                                          |
| Applikation              | ELISA, WB                                                                           |
| Spezies Reaktivität      | Human                                                                               |
| Immunogen                | C-GARDRASRSKLSRQ                                                                    |
| Klonalität               | Polyclonal                                                                          |
| Molekulargewicht         | 42                                                                                  |
| NCBI                     | <a href="#">54204 (mouse)</a> , <a href="#">293507 (rat)</a> , <a href="#">1731</a> |
| Reinheit                 | Antigen affinity purified                                                           |
| Sequenz                  | GARDRASRSKLSRQ                                                                      |
| Target-Kategorie         | Goat anti-Septin 1 / SEPT1 Antibody                                                 |

|                        |                                                                                                                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Peptide ELISA: antibody detection limit dilution 1:32000. Western Blot: Approx 45kDa band observed in lysates of cell line Jurkat (calculated MW of 42.0kDa according to NP_443070.1). Recommended concentration: 2-4µg/ml. |
