### Goat anti-Spleen tyrosine kinase / SYK EVE-EB06823

|                          |                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------|
| Artikelname              | Goat anti-Spleen tyrosine kinase / SYK                                               |
| Artikelnummer            | EVE-EB06823                                                                          |
| Hersteller Artikelnummer | EB06823                                                                              |
| Alternativnummer         | EVE-EB06823                                                                          |
| Hersteller               | Everest                                                                              |
| Wirt                     | Goat                                                                                 |
| Kategorie                | Antikörper                                                                           |
| Applikation              | ELISA, WB                                                                            |
| Spezies Reaktivität      | Human                                                                                |
| Immunogen                | C-KYLQQNRHVKDKN                                                                      |
| Klonalität               | Polyclonal                                                                           |
| Molekulargewicht         | 72.1, 69.5                                                                           |
| NCBI                     | <a href="#">6850</a> , <a href="#">20963 (mouse)</a> , <a href="#">25155 (rat)</a> , |
| Reinheit                 | Antigen affinity purified                                                            |
| Sequenz                  | KYLQQNRHVKDKN                                                                        |
| Target-Kategorie         | Goat anti-Spleen tyrosine kinase / SYK Antibody                                      |

|                        |                                                                                                                                                                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Peptide ELISA: antibody detection limit dilution 1:16000.   Western Blot: Approx 70kDa band observed in Human Bone marrow, Lymph Node, and Spleen lysates (calculated MW of 72.1kDa according to NP_003168.2). Recommended concentration: 1-3µg/ml. |
