## Product Datasheet

### Morphine Antibody, IgG1, Mouse, Monoclonal ECB-HM578

|                          |                                                                         |
|--------------------------|-------------------------------------------------------------------------|
| Artikelname              | Morphine Antibody, IgG1, Mouse, Monoclonal                              |
| Artikelnummer            | ECB-HM578                                                               |
| Hersteller Artikelnummer | HM578                                                                   |
| Alternativnummer         | ECB-HM578                                                               |
| Hersteller               | EastCoast Bio                                                           |
| Wirt                     | Mouse                                                                   |
| Kategorie                | Antikörper                                                              |
| Applikation              | ELISA, FC                                                               |
| Immunogen                | Morphine-BSA                                                            |
| Klonalität               | Monoclonal                                                              |
| Isotyp                   | IgG1                                                                    |
| Puffer                   | 10 mM Phosphate Buffered Saline, pH 7.2                                 |
| Quelle                   | Mouse                                                                   |
| Formulierung             | 10 mM Phosphate Buffered Saline, pH 7.2                                 |
| Lagerung                 | Short Term: 2-8C. Long Term: -20C. Avoid repeated freezing and thawing. |
| Target-Kategorie         | Morphine                                                                |

|           |                                                                                                                                                                                                                                                  |
