Product Datasheet

Rat peroxidase-anti-peroxidase, Clone: [Polyclonal], Monoclonal NMB-RA/PAP

Artikelname	Rat peroxidase-anti-peroxidase, Clone: [Polyclonal], Monoclonal
Artikelnummer	NMB-RA/PAP
Hersteller Artikelnummer	Ra/PAP
Alternativnummer	NMB-RA/PAP
Hersteller	NordicMubio
Wirt	Rat
Kategorie	Antikörper
Produktbeschreibung	Peroxidase staining of unlabelled rat IgG antibodies....
Klonalität	Monoclonal
Klon-Bezeichnung	[Polyclonal]
Puffer	Hyperimmune rat IgG against horseradish peroxidase reacted with peroxidase lyophilized from a solution in phosphate buffered saline (PBS, pH 7.2). No preservative added, as it may interfere with the enzyme activity It is reconstituted by adding 1 ml ster
Quelle	Highly purified horseradish peroxidase.
Formel	Hyperimmune rat IgG against horseradish peroxidase reacted with peroxidase lyophilized from a solution in phosphate buffered saline (PBS, pH 7.2). No preservative added, as it may interfere with the enzyme activity
