Anti-human Latent TGF-beta1 mAb (MT517), biotin, IgG1, Biotin, Mouse MAB-3550-6-1000

| | |
|--------------------------|---|
| Artikelname | Anti-human Latent TGF-beta1 mAb (MT517), biotin, IgG1, Biotin, Mouse |
| Artikelnummer | MAB-3550-6-1000 |
| Hersteller Artikelnummer | 3550-6-1000 |
| Alternativnummer | MAB-3550-6-1000 |
| Hersteller | MABTECH |
| Wirt | Mouse |
| Kategorie | Antikörper |
| Applikation | ELISA |
| Spezies Reaktivität | Human, Primate |
| Konjugation | Biotin |
| Produktbeschreibung | Monoclonal antibody specific for latent TGF-beta1, This monoclonal antibody enables sensitive and specific detection of human latent TGF-beta1 in immunoassays such as ELISA. The antibody binds to the human Latency Associated Protein (LAP), which is a... |
| Klonalität | Monoclonal |
| Klon-Bezeichnung | [MT517] |
| Isotyp | IgG1 |
| NCBI | 7040 |

| | |
|------------------------|--|
| Target-Kategorie | TGF-beta1 (Latent TGF-beta1) |
| Antibody Type | Monoclonal Antibody |
| Anwendungsbeschreibung | Complementary Products: https://www.mabtech.com/products/anti-human-latent-tgf-b1-mab-mt593-unconjugated-3550-3 . Contents: Monoclonal antibody MT517, biotinylated. Supplied at 0.5 mg/ml in PBS with 0.02% sodium azide. |
