## Product Datasheet

### Monoclonal Antibody to mouse MCP-1, ECE-2, Rat IgG1, Clone: ECE.2 ABI-10-3527

|                          |                                                                      |
|--------------------------|----------------------------------------------------------------------|
| Artikelname              | Monoclonal Antibody to mouse MCP-1, ECE-2, Rat IgG1, Clone: ECE.2    |
| Artikelnummer            | ABI-10-3527                                                          |
| Hersteller Artikelnummer | 10-3527                                                              |
| Alternativnummer         | ABI-10-3527-500UG,ABI-10-3527-1000UG                                 |
| Hersteller               | Abeomics                                                             |
| Wirt                     | Rat                                                                  |
| Kategorie                | Antikörper                                                           |
| Applikation              | IHC-Fr, WB                                                           |
| Spezies Reaktivität      | Mouse                                                                |
| Immunogen                | Synthetic peptide corresponding to residues 102-130 of mouse MCP-1   |
| Produktbeschreibung      | Monoclonal Antibody to mouse MCP-1, ECE-2, Rat IgG1, Clone: ECE.2... |
| Klonalität               | Monoclonal                                                           |
| Klon-Bezeichnung         | ECE.2                                                                |
| Isotyp                   | Rat IgG1                                                             |
