## Product Datasheet

### Anti-LYRIC Antibody [6-F4], IgG1, Unconjugated, Mouse, Monoclonal HBO-EM1901-61

Artikelname	Anti-LYRIC Antibody [6-F4], IgG1, Unconjugated, Mouse, Monoclonal
Artikelnummer	HBO-EM1901-61
Hersteller Artikelnummer	EM1901-61
Alternativnummer	HBO-EM1901-61
Hersteller	HUABIO
Wirt	Mouse
Kategorie	Antikörper
Applikation	FC, WB
Spezies Reaktivität	Human
Immunogen	Recombinant protein within Human LYRIC aa 6-233 / 582.
Konjugation	Unconjugated
Produktbeschreibung	Metadherin, also known as protein LYRIC or astrocyte elevated gene-1 protein (AEG-1) is a protein that in humans is encoded by the MTDH gene. MTDH (AEG-1) is involved in HIF-1alpha mediated angiogenesis. MTDH also interacts with SND1 and involved in ...
Klonalität	Monoclonal
Konzentration	2 mg/mL.
Klon-Bezeichnung	[6-F4]
Molekulargewicht	Predicted band size: 64 kDa

Isotyp	IgG1
UniProt	<a href="#">Q86UE4</a>
Puffer	1*PBS (pH7.4), 0.2% BSA, 50% Glycerol. Preservative: 0.05% Sodium Azide.
Reinheit	Protein G affinity purified.
Formulierung	Liquid
Target-Kategorie	MTDH
Antibody Type	Primary Antibody
Application Verdünnung	WB:1:500-1:2,000 ,FC:1:50-1:100
