| Article Name               | Monoclonal antibody to KRT77 (Clone: ABM5G22), Clone: [ABM5G22], Mouse                                          |
| Biozol Catalog Number      | ABI-10-7596-25                                                                                                  |
| Supplier Catalog Number    | 10-7596-25                                                                                                      |
| Alternative Catalog Number | ABI-10-7596-25-25UG                                                                                             |
| Manufacturer               | Abeomics                                                                                                        |
| Host                       | Mouse                                                                                                           |
| Category                   | Antikörper                                                                                                      |
| Application                | WB                                                                                                              |
| Species Reactivity         | Human                                                                                                           |
| Immunogen                  | A partial length recombinant protein of KRT77 (amino acid 133-346) was used as the immunogen for this antibody. |
| Product Description        | Monoclonal antibody to KRT77 (Clone: ABM5G22), Mouse IgG2b, Kappa...                                            |
| Clonality                  | Monoclonal                                                                                                      |
| Clone Designation          | [ABM5G22]                                                                                                       |
| Isotype                    | Mouse IgG2b, Kappa                                                                                              |
| NCBI                       | <a href="#">374454</a>                                                                                          |
| UniProt                    | <a href="#">Q7Z794</a>                                                                                          |

|                    |                                                                                                               |
|--------------------|---------------------------------------------------------------------------------------------------------------|
| Buffer             | 25 µg in 50 µl/100 µg in 200 µl PBS containing 0.05%BSA and 0.05% sodium azide. Sodium azide is highly toxic. |
| Purity             | Protein G Chromatography                                                                                      |
| Form               | Purified                                                                                                      |
| Target             | KRT77                                                                                                         |
| Application Dilute | Western blot analysis: 2-4 µg/ml                                                                              |
