## Product Datasheet

### Anti-CALCOCO2 antibody, Unconjugated, Rabbit, Polyclonal NBS-ASJ-CN5GKD-100

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| Article Name               | Anti-CALCOCO2 antibody, Unconjugated, Rabbit, Polyclonal                |
| Biozol Catalog Number      | NBS-ASJ-CN5GKD-100                                                      |
| Supplier Catalog Number    | ASJ-CN5GKD-100                                                          |
| Alternative Catalog Number | NBS-ASJ-CN5GKD-100                                                      |
| Manufacturer               | Nordic BioSite                                                          |
| Host                       | Rabbit                                                                  |
| Category                   | Antikörper                                                              |
| Application                | WB                                                                      |
| Species Reactivity         | Human, Mouse, Rat                                                       |
| Immunogen                  | Synthesized peptide derived from the human CALCOCO2                     |
| Conjugation                | Unconjugated                                                            |
| Clonality                  | Polyclonal                                                              |
| Concentration              | 1 mg/ml                                                                 |
| Isotype                    | IgG                                                                     |
| NCBI                       | <a href="#">10241</a>                                                   |
| UniProt                    | <a href="#">Q13137</a>                                                  |
| Buffer                     | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Source                     | rabbit                                                                  |

|                    |                   |
|--------------------|-------------------|
| Purity             | Affinity Purified |
| Target             | CALCOCO2          |
| Antibody Type      | Primary Antibody  |
| Application Dilute | WB 1:500-2000     |
| Application Notes  | WB 1:500-2000     |
