## **Product Datasheet**

## Mouse anti Human CD41a, IgG1, Clone: [96.2C1], Unconjugated, Monoclonal NMB-X1064

| Article Name               | Mouse anti Human CD41a, IgG1, Clone: [96.2C1], Unconjugated,<br>Monoclonal   |
|----------------------------|--|
| Biozol Catalog Number      | NMB-X1064  |
| Supplier Catalog Number    | X1064  |
| Alternative Catalog Number | NMB-X1064  |
| Manufacturer               | NordicMubio  |
| Host                       | Mouse  |
| Category                   | Antikörper   |
| Application                | FC   |
| Species Reactivity         | Human  |
| Conjugation                | Unconjugated   |
| Product Description        | Human CD41a is a member of major platelet transmembrane<br>glycoprotein comnplex (CD41/CD61) which mediates platelet<br>aggregation and adhesion by serving as the receptor for fibrinogen<br>and von willebrand factor, fibronectin and vitronectin |
| Clonality                  | Monoclonal   |
| Concentration              | See vial for concentration   |
| Clone Designation          | [96.2C1]   |
| Isotype                    | lgG1   |

| UniProt           | P28906   |
|-------------------|--|
| Buffer            | Provided as solution in phosphate buffered saline with 0.08% sodium azide. |
| Source            | 96.2C1 was generated by immunizing mice with human PBLs.                   |
| Application Notes | Flow Cytometry.  |
