### Rabbit anti Human Chromogranin A NMB-X2789P

|                            |   |
|----------------------------|---|
| Article Name               | Rabbit anti Human Chromogranin A  |
| Biozol Catalog Number      | NMB-X2789P  |
| Supplier Catalog Number    | X2789P  |
| Alternative Catalog Number | NMB-X2789P  |
| Manufacturer               | NordicMubio   |
| Host                       | Rabbit  |
| Category                   | Antikörper  |
| Application                | IHC, WB   |
| Species Reactivity         | Human   |
| Immunogen                  | Synthetic peptide derived from human Chromogranin A protein   |
| Product Description        | Chromogranin A is the major protein co-stored and co-released with catecholamines from secretory vesicles in adrenal medulla and postganglionic sympathetic axons. It is required for formation of catecholamine secretory vesicles in chromaffin cells an... |
| Concentration              | See vial for concentration  |
| Isotype                    | Ig  |
| UniProt                    | <a href="#">P10645</a>  |
| Buffer                     | Provided as solution in phosphate buffered saline with 0.08% sodium azide   |
| Purity                     | Antigen Immunoaffinity Purification   |

|                   |  |
|-------------------|--|
| Formula           | Provided as solution in phosphate buffered saline with 0.08% sodium azide  |
| Application Notes | Antibody can be used for immunohistochemistry (1-3 µg/ml) and Western blotting (1-2 µg/ml). Optimal concentration should be evaluated by serial dilutions. |
