### Rabbit anti Human SPARC, Unconjugated NMB-X1860P

|                            |   |
|----------------------------|---|
| Article Name               | Rabbit anti Human SPARC, Unconjugated   |
| Biozol Catalog Number      | NMB-X1860P  |
| Supplier Catalog Number    | X1860P  |
| Alternative Catalog Number | NMB-X1860P  |
| Manufacturer               | NordicMubio   |
| Host                       | Rabbit  |
| Category                   | Antikörper  |
| Application                | ELISA, IHC, WB  |
| Species Reactivity         | Human   |
| Conjugation                | Unconjugated  |
| Product Description        | SPARC is a key factor in cell-matrix interactions and possibly tumour aggressiveness. The SPARC gene, which encodes a multifunctional glycoprotein with roles in tissue development, remodelling and fibrosis. A regulator of cell-extracellular matrix (E... |
| Concentration              | See vial for concentration  |
| Isotype                    | IgG   |
| UniProt                    | <a href="#">P09486</a>  |
| Buffer                     | Provided as solution in phosphate buffered saline with 0.08% sodium azide   |

|                   |   |
|-------------------|---|
| Source            | Rabbit immunized with a synthetic peptide derived from the human SPARC protein.   |
| Purity            | Ammonium Sulfate Precipitation  |
| Formula           | Provided as solution in phosphate buffered saline with 0.08% sodium azide   |
| Application Notes | Antibody can be used for Western blotting (1-5 µg/ml), Immunohistochemistry and ELISA. Optimal concentration should be evaluated by serial dilutions. |
