### Sheep anti BrdU (bromodeoxyuridine), Unconjugated NMB-A205P

|                            |  |
|----------------------------|--|
| Article Name               | Sheep anti BrdU (bromodeoxyuridine), Unconjugated  |
| Biozol Catalog Number      | NMB-A205P  |
| Supplier Catalog Number    | A205P  |
| Alternative Catalog Number | NMB-A205P  |
| Manufacturer               | NordicMubio  |
| Host                       | Sheep  |
| Category                   | Antikörper   |
| Application                | FC, IHC, IP, WB  |
| Conjugation                | Unconjugated   |
| Product Description        | Bromodeoxyuridine (BrdU) is a thymidine analog which is selectively incorporated into the DNA of proliferating cells to provide a marker for the DNA being replicated. The number of proliferating cells can then be detected in cell lysates, tissue secti... |
| Concentration              | See vial for concentration   |
| Isotype                    | IgG  |
| Buffer                     | Provided as solution in phosphate buffered saline with 0.08% sodium azide  |
| Source                     | Sheep were immunized with bromodeoxyuridine conjugated to Helix Pomatia Haemocyanin.   |
| Purity                     | Ammonium Sulfate Precipitation   |

|                   |  |
|-------------------|--|
| Formula           | Provided as solution in phosphate buffered saline with 0.08% sodium azide  |
| Application Notes | Applications: Immunoprecipitation: 25-100 µg/ml, Immunohistochemistry: 25-100 µg/ml. The antibody has been tested using immunoprecipitation against 5-methyl cytosine (5-MeC) and bromodeoxyuridine (BrdU) or a control (no antigen). At a concentration of 25 |
