## Product Datasheet

### Mouse anti TRITC, IgG1, Clone: [NI 308], Monoclonal NMB-MA/TRITC

|                            |   |
|----------------------------|---|
| Article Name               | Mouse anti TRITC, IgG1, Clone: [NI 308], Monoclonal   |
| Biozol Catalog Number      | NMB-MA/TRITC  |
| Supplier Catalog Number    | MA/TRITC  |
| Alternative Catalog Number | NMB-MA/TRITC  |
| Manufacturer               | NordicMubio   |
| Host                       | Mouse   |
| Category                   | Antikörper  |
| Product Description        | The reactivity of the antiserum is directed to TRITC as tested in direct binding enzyme immunoassay, ELISA and immunoblotting. To enhance the specific signal obtained with a monoclonal antibody or a polyclonal second antibody conjugated to TRITC. The... |
| Clonality                  | Monoclonal  |
| Clone Designation          | [NI 308]  |
| Isotype                    | IgG1  |
| Buffer                     | Delipidated, heat inactivated, lyophilized, stable whole ascites. IgG concentration is 1.0 mg/ml. No foreign proteins added. Reconstitute the lyophilized ascites by adding 0.5 ml sterile distilled water.   |
| Source                     | Immunogen: Highly purified tetramethylrhodamine isothiocyanate isomer R.  |
| Formula                    | Delipidated, heat inactivated, lyophilized, stable whole ascites. IgG concentration is 1.0 mg/ml. No foreign proteins added.  |

Application Notes

Indirect immunofluorescence,ELISA.
