| Article Name               | Chicken anti-Goat IgG (H&L) - Affinity Pure, Biotin Conjugate, Gallus                    |
| Biozol Catalog Number      | IMU-CKXGT-003-DBIO                                                                       |
| Supplier Catalog Number    | CkxGt-003-DBIO                                                                           |
| Alternative Catalog Number | IMU-CKXGT-003-DBIO                                                                       |
| Manufacturer               | ImmunoReagents                                                                           |
| Host                       | Gallus                                                                                   |
| Category                   | Antikörper                                                                               |
| Species Reactivity         | Goat                                                                                     |
| Immunogen                  | Purified Goat IgG, whole molecule                                                        |
| Conjugation                | Biotin                                                                                   |
| Concentration              | 1.5 mg/ml (E 1% at 280 nm = 13.2)                                                        |
| Buffer                     | 10 mM Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2, 1 % (w/v) BSA, Protease/IgG free |
| Purity                     | Affinity purified antibody is > 95% based on SDS-PAGE                                    |
| Form                       | Clear, colorless liquid                                                                  |
