## Product Datasheet

### **Rabbit IgG Purified-Ultra Pure Protein A/SEC (Immunogen Grade), Unconjugated IMU-RB-003-N**

|                            |                                                                              |
|----------------------------|------------------------------------------------------------------------------|
| Article Name               | Rabbit IgG Purified-Ultra Pure Protein A/SEC (Immunogen Grade), Unconjugated |
| Biozol Catalog Number      | IMU-RB-003-N                                                                 |
| Supplier Catalog Number    | Rb-003-N                                                                     |
| Alternative Catalog Number | IMU-RB-003-N                                                                 |
| Manufacturer               | ImmunoReagents                                                               |
| Host                       | Rabbit                                                                       |
| Category                   | Antikörper                                                                   |
| Conjugation                | Unconjugated                                                                 |
| Concentration              | 1 mg/ml (E 1% at 280 nm = 14.0)                                              |
| Buffer                     | 10 mM Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2                       |
| Purity                     | > 95% based on SDS-PAGE                                                      |
| Form                       | Liquid, 0.2 µm filtered                                                      |
