| Alternative Catalog Number | USB-442104-10,USB-442104-25                                                                                                                                                                                                                                                         |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                                       |
| Category                   | Biochemikalien                                                                                                                                                                                                                                                                      |
| Product Description        | BAN ORL 24 is a KOR-3 (NOP) antagonist. Molecular Formula: C <sub>27</sub> H <sub>35</sub> N <sub>3</sub> O <sub>2</sub> Molecular Weight: 433.59 Storage and Stability: Store at -20C. For maximum recovery of product, centrifuge the original vial prior to removing the cap.... |
| Molecular Weight           | 433.59                                                                                                                                                                                                                                                                              |
