| Manufacturer               | MedchemExpress                                                                   |
| Category                   | Biochemikalien                                                                   |
| Product Description        | 2-O-MOE-U is a phosphoramidite, can be used for oligonucleotide synthesis[1].... |
| Molecular Weight           | 804.86                                                                           |
| Purity                     | 95                                                                               |
| CAS Number                 | [163759-97-5]                                                                    |
| Formula                    | C42H53N4O10P                                                                     |
| Target                     | DNA/RNA Synthesis                                                                |
| Application Notes          | Oligonucleotides                                                                 |
