| Manufacturer               | Boster Bio                                                                                                                                                |
| Host                       | Rabbit                                                                                                                                                    |
| Category                   | Antikörper                                                                                                                                                |
| Application                | ELISA, IHC, WB                                                                                                                                            |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                         |
| Immunogen                  | Synthesized peptide derived from human EGFR around the phosphorylation site of Y1197.                                                                     |
| Product Description        | Boster Bio Anti-Phospho-EGFR (Y1197) Antibody catalog A00023Y1197. Tested in ELISA, IHC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Polyclonal                                                                                                                                                |
| Concentration              | 1 mg/ml                                                                                                                                                   |
| Molecular Weight           | 134277 MW                                                                                                                                                 |
| UniProt                    | <a href="#">P00533</a>                                                                                                                                    |
| Buffer                     | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                                                                   |

|                    |                                                                                                                       |
|--------------------|-----------------------------------------------------------------------------------------------------------------------|
| Purity             | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| Form               | Liquid                                                                                                                |
| Application Dilute | WB 1:500-1:2000IHC 1:100-1:300ELISA 1:10000                                                                           |
