## Product Datasheet

### **XPO1 recombinant monoclonal antibody, clone 9F2, Clone: [9F2], Monoclonal ABN-RAB07403**

|                            |                                                                                      |

| Article Name               | XPO1 recombinant monoclonal antibody, clone 9F2, Clone: [9F2],<br>Monoclonal         |
| Biozol Catalog Number      | ABN-RAB07403                                                                         |
| Supplier Catalog Number    | RAB07403                                                                             |
| Alternative Catalog Number | ABN-RAB07403-100                                                                     |
| Manufacturer               | Abnova                                                                               |
| Category                   | Antikörper                                                                           |
| Application                | ELISA, IHC-P                                                                         |
| Species Reactivity         | Human                                                                                |
| Immunogen                  | Original antibody is raised against a synthetic peptide corresponding to human XPO1. |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human XPO1....                 |
| Clonality                  | Monoclonal                                                                           |
| Clone Designation          | [9F2]                                                                                |
| UniProt                    | 7514                                                                                 |
| Buffer                     | In PBS, pH7.4 (150 mM NaCl, 0.02% sodium azide and 50% glycerol)                     |
| Form                       | Liquid                                                                               |
| Target                     | XPO1                                                                                 |

Application Dilute

ELISA  
Immunohistochemistry (1:50-1:200)  
The optimal working dilution should be determined by the end user.
