## Product Datasheet

### **InVivoMAb anti-mouse CD8alpha, Clone: [2.43], Rat, Monoclonal BXC-BE0061-25MG-INDUSTRIAL**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-mouse CD8alpha, Clone: [2.43], Rat, Monoclonal                        |
| Biozol Catalog Number      | BXC-BE0061-25MG-INDUSTRIAL                                                           |
| Supplier Catalog Number    | BE0061-25MG                                                                          |
| Alternative Catalog Number | BXC-BE0061-25MG                                                                      |
| Manufacturer               | Bio X Cell                                                                           |
| Host                       | Rat                                                                                  |
| Category                   | Antikörper                                                                           |
| Species Reactivity         | Mouse                                                                                |
| Immunogen                  | Mouse CTL clone L3                                                                   |
| Clonality                  | Monoclonal                                                                           |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                           |
| Clone Designation          | [2.43]                                                                               |
| Molecular Weight           | 150 kDa                                                                              |
| Pubmed                     | <a href=https://pubmed.ncbi.nlm.nih.gov/24382348 target=_blank rel=nofollow>24382348 |
| Target                     | CD8alpha                                                                             |
| Application Notes          | in vivo CD8+ T cell depletion, Western blot                                          |
