## Product Datasheet

### **InVivoMAb anti-mouse PD-1 (CD279), Clone: [RMP1-14], Rat, Monoclonal BXC-BE0146-1MG-INDUSTRIAL**

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | InVivoMAb anti-mouse PD-1 (CD279), Clone: [RMP1-14], Rat, Monoclonal                           |
| Biozol Catalog Number      | BXC-BE0146-1MG-INDUSTRIAL                                                                      |
| Supplier Catalog Number    | BE0146-1MG                                                                                     |
| Alternative Catalog Number | BXC-BE0146-1MG                                                                                 |
| Manufacturer               | Bio X Cell                                                                                     |
| Host                       | Rat                                                                                            |
| Category                   | Antikörper                                                                                     |
| Species Reactivity         | Mouse                                                                                          |
| Immunogen                  | Syrian Hamster BKH cells transfected with mouse PD-1 cDNA                                      |
| Clonality                  | Monoclonal                                                                                     |
| Concentration              | Lot specific, typically between 4-11 mg/ml                                                     |
| Clone Designation          | [RMP1-14]                                                                                      |
| Molecular Weight           | 150 kDa                                                                                        |
| Pubmed                     | <a href="https://pubmed.ncbi.nlm.nih.gov/27775706" rel="nofollow" target="_blank">27775706</a> |
| Target                     | PD-1                                                                                           |
| Application Notes          | in vivo blocking of PD-1/PD-L signaling                                                        |
