## **Product Datasheet**

## Mini Samples ELISA Kit for Complement Component 5a (C5a) USC-MEA388MU

| Article Name               | Mini Samples ELISA Kit for Complement Component 5a (C5a)                                             |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Biozol Catalog Number      | USC-MEA388MU                                                                                         |
| Supplier Catalog Number    | MEA388Mu                                                                                             |
| Alternative Catalog Number | USC-MEA388MU-48, USC-MEA388MU-96                                                                     |
| Manufacturer               | Cloud-Clone                                                                                          |
| Category                   | Kits/Assays                                                                                          |
| Species Reactivity         | Mouse                                                                                                |
| Range                      | 1.56-100ng/mL                                                                                        |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.59ng/mL                             |
| UniProt                    | P06684                                                                                               |
| Samples                    | serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                                             |
