## Product Datasheet

### Recombinant Surfactant Protein C (SP-C), E. coli USC-RPB623RA01

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | Recombinant Surfactant Protein C (SP-C), E. coli                                               |
| Biozol Catalog Number      | USC-RPB623RA01                                                                                 |
| Supplier Catalog Number    | RPB623Ra01                                                                                     |
| Alternative Catalog Number | USC-RPB623RA01-10, USC-RPB623RA01-50, USC-RPB623RA01-100, USC-RPB623RA01-200, USC-RPB623RA01-1 |
| Manufacturer               | Cloud-Clone                                                                                    |
| Host                       | E. coli                                                                                        |
| Category                   | Proteine/Peptide                                                                               |
| Application                | Control, SDS-PAGE, WB                                                                          |
| Species Reactivity         | Rat                                                                                            |
| Molecular Weight           | 14kDa                                                                                          |
| Tag                        | N-terminal His Tag                                                                             |
| UniProt                    | <a href="#">P11685</a>                                                                         |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                        |
| Source                     | Prokaryotic expression                                                                         |
| Expression System          | Prokaryotic expression                                                                         |
| Purity                     | > 95%                                                                                          |
| Form                       | Freeze-dried powder                                                                            |
