## Product Datasheet

### **Recombinant Nuclear Receptor Subfamily 1, Group D, Member 1 (NR1D1), E. coli USC-RPD945HU01**

|                            |                                                                                                     |
|----------------------------|-----------------------------------------------------------------------------------------------------|
| Article Name               | Recombinant Nuclear Receptor Subfamily 1, Group D, Member 1 (NR1D1), E. coli                        |
| Biozol Catalog Number      | USC-RPD945HU01                                                                                      |
| Supplier Catalog Number    | RPD945Hu01                                                                                          |
| Alternative Catalog Number | USC-RPD945HU01-10, USC-RPD945HU01-50, USC-RPD945HU01-100, USC-RPD945HU01-200, USC-RPD945HU01-1      |
| Manufacturer               | Cloud-Clone                                                                                         |
| Host                       | E. coli                                                                                             |
| Category                   | Proteine/Peptide                                                                                    |
| Application                | Control, SDS-PAGE, WB                                                                               |
| Species Reactivity         | Human                                                                                               |
| Molecular Weight           | 44kDa                                                                                               |
| Tag                        | N-terminal His Tag                                                                                  |
| UniProt                    | <a href="#">P20393</a>                                                                              |
| Buffer                     | 20mM Tris, 150mM NaCl, pH8.0, containing 1mM EDTA, 1mM DTT, 0.01% SKL, 5% Trehalose and Proclin300. |
| Source                     | Prokaryotic expression                                                                              |
| Expression System          | Prokaryotic expression                                                                              |
| Purity                     | > 95%                                                                                               |

|      |                     |
|------|---------------------|
| Form | Freeze-dried powder |
