## Product Datasheet

### PERP Rabbit mAb, Clone: [ARC2094], Unconjugated, Monoclonal MBL-CNA5937S

|                            |                                                                                                   |
|----------------------------|---------------------------------------------------------------------------------------------------|
| Article Name               | PERP Rabbit mAb, Clone: [ARC2094], Unconjugated, Monoclonal                                       |
| Biozol Catalog Number      | MBL-CNA5937S                                                                                      |
| Supplier Catalog Number    | CNA5937S                                                                                          |
| Alternative Catalog Number | MBL-CNA5937S                                                                                      |
| Manufacturer               | MBL                                                                                               |
| Host                       | Rabbit                                                                                            |
| Category                   | Antikörper                                                                                        |
| Application                | ICC, IF, IHC-P, WB                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                 |
| Immunogen                  | A synthetic peptide corresponding to a sequence within amino acids 94-193 of human PERP (Q96FX8). |
| Conjugation                | Unconjugated                                                                                      |
| Clonality                  | Monoclonal                                                                                        |
| Clone Designation          | [ARC2094]                                                                                         |
| Molecular Weight           | 21kDa                                                                                             |
| Buffer                     | PBS with 0.02% sodium azide,0.05% BSA,50% glycerol                                                |
| Source                     | Rabbit                                                                                            |
| Purity                     | Affinity purification                                                                             |
| Form                       | PBS with 0.02% sodium azide,0.05% BSA,50% glycerol                                                |

|                    |                                                                                                      |
|--------------------|------------------------------------------------------------------------------------------------------|
| Sequence           | LSFFALCGPQMLVFLRVIGGLLALAAVFQIISLVIYPVKYTQTFTLHANPAVTYIYNWAYGFGWAATIILIGCAFFFCCLPNYEDDLLGNAKPRYFYTSA |
| Target             | A synthetic peptide corresponding to a sequence within amino acids 94-193 of human PERP (Q96FX8).    |
| Application Dilute | WB: WB,1:500 - 1:2000 IHC-P,1:50 - 1:200 IF/ICC,1:50 - 1:200                                         |
