| Article Name               | BAAT Rabbit pAb, Unconjugated, Polyclonal                                                                          |
| Biozol Catalog Number      | MBL-CNA7646S                                                                                                       |
| Supplier Catalog Number    | CNA7646S                                                                                                           |
| Alternative Catalog Number | MBL-CNA7646S                                                                                                       |
| Manufacturer               | MBL                                                                                                                |
| Host                       | Rabbit                                                                                                             |
| Category                   | Antikörper                                                                                                         |
| Application                | ICC, IF, IHC-P, WB                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                                  |
| Immunogen                  | Recombinant fusion protein containing a sequence corresponding to amino acids 309-418 of human BAAT (NP_001692.1). |
| Conjugation                | Unconjugated                                                                                                       |
| Clonality                  | Polyclonal                                                                                                         |
| Molecular Weight           | 46kDa                                                                                                              |
| Buffer                     | PBS with 0.02% sodium azide,50% glycerol                                                                           |
| Source                     | Rabbit                                                                                                             |
| Purity                     | Affinity purification                                                                                              |
| Form                       | PBS with 0.02% sodium azide,50% glycerol                                                                           |

|                    |                                                                                                                        |
