| Alternative Catalog Number | ELA-PKSM040942-100                                                                                                                                                                                                   |
| Manufacturer               | Elabscience                                                                                                                                                                                                          |
| Category                   | Proteine/Peptide                                                                                                                                                                                                     |
| Application                | ELISA                                                                                                                                                                                                                |
| Species Reactivity         | Mouse                                                                                                                                                                                                                |
| Molecular Weight           | 100-110 kDa                                                                                                                                                                                                          |
| Tag                        | C-His-Fc                                                                                                                                                                                                             |
| NCBI                       | <a href="#">032036</a>                                                                                                                                                                                               |
| Expression System          | HEK293 Cells                                                                                                                                                                                                         |
| Purity                     | > 92 % as determined by reducing SDS-PAGE.                                                                                                                                                                           |
| Form                       | Lyophilized from sterile PBS, pH 7.4 Normally 5 % - 8 % trehalose, mannitol and 0.01% Tween80 are added as protectants before lyophilization. Please refer to the specific buffer information in the printed manual. |
| Sequence                   | Met 1-Tyr 367                                                                                                                                                                                                        |
| Target                     | FGFR3                                                                                                                                                                                                                |
