| Manufacturer               | Elabscience                                                                                                                                                                                                                                |
| Category                   | Proteine/Peptide                                                                                                                                                                                                                           |
| Species Reactivity         | Mouse                                                                                                                                                                                                                                      |
| Molecular Weight           | 90-120 kDa                                                                                                                                                                                                                                 |
| Tag                        | C-MIgG2a                                                                                                                                                                                                                                   |
| NCBI                       | <a href="#">6</a>                                                                                                                                                                                                                          |
| UniProt                    | <a href="#">Q6P6I8</a>                                                                                                                                                                                                                     |
| Expression System          | HEK293 Cells                                                                                                                                                                                                                               |
| Purity                     | > 95 % as determined by reducing SDS-PAGE.                                                                                                                                                                                                 |
| Form                       | Lyophilized from a 0.2 um filtered solution of PBS, pH7.4. Normally 5 % - 8 % trehalose, mannitol and 0.01% Tween80 are added as protectants before lyophilization. Please refer to the specific buffer information in the printed manual. |
| Sequence                   | Lys32-Asn372                                                                                                                                                                                                                               |
| Target                     | SIRPA,CD172a                                                                                                                                                                                                                               |
