| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | ELISA, LF                                                                                                   |
| Species Reactivity         | Virus                                                                                                       |
| Immunogen                  | Synthetic peptide corresponding to Orf1ab polyprotein (pp1ab)<br>(Protein ID: <a href="#">QHD43415.1</a> ). |
| Conjugation                | Unconjugated                                                                                                |
| Product Description        | Rabbit polyclonal antibody to SARS-CoV-2 PP1AB....                                                          |
| Clonality                  | Polyclonal                                                                                                  |
| Concentration              | 1 mg/ml                                                                                                     |
| Buffer                     | Supplied in Phosphate Buffered Saline, pH 7.2, with 0.02% Sodium Azide.                                     |
| Purity                     | > 95% (by SDS-PAGE).                                                                                        |
| Form                       | Liquid                                                                                                      |

|               |                  |
|---------------|------------------|
| Target        | SARS-CoV PP1AB   |
| Antibody Type | Primary Antibody |
