## Product Datasheet

### **BMN-673 8R,9S, CAS [[1207456-00-5]] APE-A3246-5MG**

|                            |                                                                               |
|----------------------------|-------------------------------------------------------------------------------|
| Article Name               | BMN-673 8R,9S, CAS [[1207456-00-5]]                                           |
| Biozol Catalog Number      | APE-A3246-5MG                                                                 |
| Supplier Catalog Number    | APE-A3246-5MG                                                                 |
| Alternative Catalog Number | APE-A3246-5MG                                                                 |
| Manufacturer               | ApexBio                                                                       |
| Category                   | Biochemikalien                                                                |
| Product Description        | Inactive form of BMN 673, used as negative control...                         |
| Molecular Weight           | 380.35                                                                        |
| Purity                     | 99.75%                                                                        |
| Sequence                   | <chem>O=C1C2=CC(F)=CC(N[C H](C3=CC=C(F)C=C3)[C H]4C5=NC=NN5C)=C2C4=NN1</chem> |
| CAS Number                 | [1207456-00-5]                                                                |
| Formula                    | C19H14F2N6O                                                                   |
