## Product Datasheet

### Recombinant Murine Migration Inhibitor Factor APE-P1634-10UG

|                            |                                                                                                 |
|----------------------------|-------------------------------------------------------------------------------------------------|
| Article Name               | Recombinant Murine Migration Inhibitor Factor                                                   |
| Biozol Catalog Number      | APE-P1634-10UG                                                                                  |
| Supplier Catalog Number    | APE-P1634-10UG                                                                                  |
| Alternative Catalog Number | APE-P1634-10UG                                                                                  |
| Manufacturer               | ApexBio                                                                                         |
| Category                   | Biochemikalien                                                                                  |
| Molecular Weight           | Approximately 12.5 kDa, a single non-glycosylated polypeptide chain containing 115 amino acids. |
| Purity                     | 0.00%                                                                                           |
