| Category                   | Antikörper                                                                                                                                                                                 |
| Application                | FC, IF, WB                                                                                                                                                                                 |
| Species Reactivity         | Human, Mouse, Rabbit, Rat, Sheep                                                                                                                                                           |
| Immunogen                  | 143-250/288                                                                                                                                                                                |
| Conjugation                | AbFluor 350                                                                                                                                                                                |
| Product Description        | Plays an important role in the regulation of cell survival, cell division, angiogenesis, cell differentiation and cell migration. Functions as potent mitogen in vitro (By similarity).... |
| Clonality                  | Polyclonal                                                                                                                                                                                 |
| Concentration              | 1ug/ul                                                                                                                                                                                     |
| NCBI                       | <a href="#">14173</a>                                                                                                                                                                      |

|                    |                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------|
| Buffer             | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source             | KLH conjugated synthetic peptide derived from mouse FGF2                                               |
| Purity             | Purified by Protein A.                                                                                 |
| Target             | FGF2                                                                                                   |
| Application Dilute | WB(1:300-5000), FCM(1:20-100), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)             |
