| Article Name               | LHCGR Polyclonal Antibody, AbBy Fluor 594 Conjugated, AbFluor 594, Rabbit                                                                      |
| Biozol Catalog Number      | BSS-BS-0984R-BF594                                                                                                                             |
| Supplier Catalog Number    | BS-0984R-BF594                                                                                                                                 |
| Alternative Catalog Number | BSS-BS-0984R-BF594-100,BSS-BS-0984R-BF594-20                                                                                                   |
| Manufacturer               | Bioss                                                                                                                                          |
| Host                       | Rabbit                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                     |
| Application                | IF                                                                                                                                             |
| Species Reactivity         | Mouse                                                                                                                                          |
| Immunogen                  | 501-600/700                                                                                                                                    |
| Conjugation                | AbFluor 594                                                                                                                                    |
| Product Description        | Receptor for lutropin-choriogonadotropic hormone. The activity of this receptor is mediated by G proteins which activate adenylate cyclase.... |
| Clonality                  | Polyclonal                                                                                                                                     |
| Concentration              | 1ug/ul                                                                                                                                         |
| NCBI                       | <a href="#">16867</a>                                                                                                                          |

|                    |                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------|
| Buffer             | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.03% Proclin300 and 50% Glycerol. |
| Source             | KLH conjugated synthetic peptide derived from mouse LHCGR                                              |
| Purity             | Purified by Protein A.                                                                                 |
| Target             | hCG receptor                                                                                           |
| Application Dilute | IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                                            |
