Product Datasheet

FOXB1 Polyclonal Antibody, APC Conjugated, Rabbit BSS-BS-11555R-APC

Article Name FOXB1 Polyclonal Antibody, APC Conjugated, Rabbit Biozol Catalog Number BSS-BS-11555R-APC Supplier Catalog Number BSS-BS-11555R-APC Alternative Catalog Number BSS-BS-11555R-APC-100,BSS-BS-11555R-APC-20 Manufacturer Bioss Host Rabbit Category Antikörper Application IF, WB Species Reactivity Rat Immunogen 1-100/325 Conjugation APC The Forkhead-box (FOX) genes comprise a superfamily of at least members that encode proteins which are involved in transcriptional regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with the pathogenesis of various regulation and may be associated with regulation and may be associated with the pathogenesis of various regulation and may be associated with regulation and regulation and may be associated with regulation regulation and may be associated with regulation and regulation and may be associated wit		
Supplier Catalog Number BSS-BS-11555R-APC Alternative Catalog Number BSS-BS-11555R-APC-100,BSS-BS-11555R-APC-20 Manufacturer Bioss Host Category Antikörper Application IF, WB Species Reactivity Rat Immunogen 1-100/325 Conjugation APC The Forkhead-box (FOX) genes comprise a superfamily of at least members that encode proteins which are involved in transcriptional regulation and may be associated with the pathogenesis of various	Article Name	Polyclonal Antibody, APC Conjugated, Rabbit
Alternative Catalog Number BSS-BS-11555R-APC-100,BSS-BS-11555R-APC-20 Manufacturer Bioss Host Rabbit Category Antikörper Application IF, WB Species Reactivity Rat Immunogen 1-100/325 Conjugation APC The Forkhead-box (FOX) genes comprise a superfamily of at least members that encode proteins which are involved in transcriptional regulation and may be associated with the pathogenesis of various	Biozol Catalog Number	5-11555R-APC
Manufacturer Bioss Host Rabbit Category Antikörper Application IF, WB Species Reactivity Rat Immunogen 1-100/325 Conjugation APC The Forkhead-box (FOX) genes comprise a superfamily of at least members that encode proteins which are involved in transcriptional regulation and may be associated with the pathogenesis of various	Supplier Catalog Number	555R-APC
Host Rabbit Category Antikörper Application IF, WB Species Reactivity Rat Immunogen 1-100/325 Conjugation APC The Forkhead-box (FOX) genes comprise a superfamily of at least members that encode proteins which are involved in transcriptional regulation and may be associated with the pathogenesis of various	Alternative Catalog Number	S-11555R-APC-100,BSS-BS-11555R-APC-20
Category Antikörper IF, WB Species Reactivity Rat Immunogen 1-100/325 Conjugation APC The Forkhead-box (FOX) genes comprise a superfamily of at least members that encode proteins which are involved in transcriptional regulation and may be associated with the pathogenesis of various	Manufacturer	
Application IF, WB Species Reactivity Rat Immunogen 1-100/325 Conjugation APC The Forkhead-box (FOX) genes comprise a superfamily of at least members that encode proteins which are involved in transcriptional regulation and may be associated with the pathogenesis of various	Host	
Species Reactivity Rat Immunogen 1-100/325 Conjugation APC The Forkhead-box (FOX) genes comprise a superfamily of at least members that encode proteins which are involved in transcriptional regulation and may be associated with the pathogenesis of various	Category	rper
Immunogen 1-100/325 Conjugation APC The Forkhead-box (FOX) genes comprise a superfamily of at least members that encode proteins which are involved in transcriptional regulation and may be associated with the pathogenesis of various	Application	
Conjugation APC The Forkhead-box (FOX) genes comprise a superfamily of at least a members that encode proteins which are involved in transcriptional regulation and may be associated with the pathogenesis of various	Species Reactivity	
Product Description The Forkhead-box (FOX) genes comprise a superfamily of at least a members that encode proteins which are involved in transcriptions regulation and may be associated with the pathogenesis of various	Immunogen	325
Product Description members that encode proteins which are involved in transcriptional regulation and may be associated with the pathogenesis of various	Conjugation	
Cancers. FOABT (TOTRITE au DOX BT), also known as FK	Product Description	ers that encode proteins which are involved in transcriptional
Clonality Polyclonal	Clonality	onal
Concentration 1ug/ul	Concentration	
Buffer Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.	Buffer	-
Source KLH conjugated synthetic peptide derived from human FOXB1	Source	njugated synthetic peptide derived from human FOXB1

Purity	Purified by Protein A.
Target	FOXB1
Application Dilute	WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)
